Walking Tour Of Edinburgh

Edinburgh Walking Tour

You will meet your blue badge guide within the hotel lobby.

Your guide will be an expert Blue Badge Guide.

Take a walk up Calton Hill and admire the breath-taking views of the capital city, a city built on an extraordinary landscape of hills and valleys, formed millions of years ago by volcanoes and ice sheets.

Your guide will take you on an exploration through Edinburgh's Historic Old Town from Holyrood Palace, climbing the Royal Mile while visiting sites such as St Giles Cathedral and Edinburgh Castle.

Discover the contrast between the Old Town and the New Town. More than 75% of all buildings within the World Heritage Site are listed for their architectural or historic importance.

The medieval Old Town retains its distinctive pattern of narrow passageways known as closes and wynds. The New Town, designed in 1767, is the largest and best-preserved example of Georgian town planning in the UK.
